

# Brownie Horse Fun Program

This program is designed for Brownie Girl Scouts. It will take about 1 ½ hours (depending on the number of girls in the program) to complete and will cost \$12 per girl. A \$25 deposit is required at time of reservation. The badge program is available to a minimum of 10 girls and a maximum of 25 girls at a time.

Brownies will need to wear long pants and boots or shoes with a ½" heel. Helmets are available for loan at Fairview Farms JJC, and are required to ride a horse. A horse fun patch will be provided to each girl after the program.

Brownies will have the opportunity to clean a stall, groom a horse, ride at a walk in the indoor or outdoor arena (on a horse that is lead by a qualified leader), and give a horse a treat.
